

CCPS Meeting Notes April 9, 2014

Begin: 9:41pm

Absent: Gabe

Earth Day Fair went very well! Got invited to few other Earth Day events on April 26 and May 3.

Possibility of doing a growing seminar in Greensboro after another event in Greensboro.

Mark contacted the Flytrap Brewery in Wilmington, NC.

Only 2 brochures left. Should probably make a new one and get more.

Possibility of adding cultivation information to website. Different page for different growing types. Sarracenia, flytraps, droseras, etc.

Ocean Isle Beach museum wants a CP display. Calling for plants in the display. Easy to grow, local plants.

Heather talked to the Science Center in Greensboro about having a CP event there.

End: 10:27pm
